

120V MULTI-LOCATION REMOTE DIMMER, TRI-COLOR

HMRTC | [radiant](#)

FEATURES & BENEFITS

The radiant® collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes.

This dimmer is multi-location dimming compatible with 3-way wiring for simple installation.

radiant® Screwless Wall Plate not included.

- Convenient operation - combines ON/OFF paddle switch with a separate slider for dimming control.
- White LED glows when OFF to make dimmer easy to find in the dark.
- Constant memory returns lights to previous level after a power failure
- CFL/LED dimmable-bulb compatible (with the exception of 0 - 10v LED drivers).
- No derating required in multi-gang applications.
- Rating: 450W LED & CFL; 700W Incandescent; 120VAC 60Hz.
- For covering patents, see www.legrand.us/patents.
