

40549

Decora®

Brand Features

Leviton's Midsize Single-Gang Wallplates are ideal where flush mount telephone or video connection plates are needed. Midsize plates are 3/8" higher and wider than standard plates to help disguise irregular or oversized wall openings, resulting in a neat, professional finish. Durable video connection wallplates are available with an F-Connector or unloaded with a hex-shape outlet for later coax cable installation. Telephone wallplates with 6P4C voice grade connector and combination video and telephone wallplates are also available.

Item Description

Midsize Telephone Wall Jack, 6P4C, brown

UPC Code: 07847731242
