

**Product Number:** 79632

**Order Abbreviation:** OTi 48/120-277/2A0 DIM L

**General Description:** 48-Watt Linear programmable constant current LED power supply. 0-10V Dimmable

**Product Information**

|                              |                                |
|------------------------------|--------------------------------|
| Abbrev. With Packaging Info. | OTI481202772A0DIML 10/CS 1/SKU |
| Ballast Height H (in)        | 1.0000                         |
| Ballast Length L (in)        | 11.0240                        |
| Ballast Width W (in)         | 1.1570                         |
| Nominal Voltage (V)          | 120-277V                       |
