

BEYOND SECURITY

Simplex® 9600

Features

Access Control

Mechanical pushbutton lock eliminates problems and costs associated with issuing, controlling, and collecting keys and cards. Uses same combination system as our other pushbutton access controls and are specifically designed for cabinet doors, desk drawers, and similar applications. Ideal for use in many locations: medicine chests, liquor cabinets, gun boxes, courier pick-up boxes, home entertainment units, cleaning supply cabinets, tool chests, private files, audio-visual cabinets, and petty cash drawers.

No Battery

Fully mechanical lock eliminates the material and labor expense of battery replacements

Locking Device

Flat deadbolt
Round deadbolt
Round spring latch bolt

Number of Codes

Single access code—one easy-to-manage code for all users

Programming

Lock is easily programmed via keypad without removing lock from the door

Handing

Non-handed
