

**POLYPROPYLENE PLASTIC • LEAD FREE**

## Features

- Polypropylene plastic construction
- For use in tubular drain applications
- Easy installation
- Use with pipe joint compound at joint

## Specifications & Approvals

UPC approved

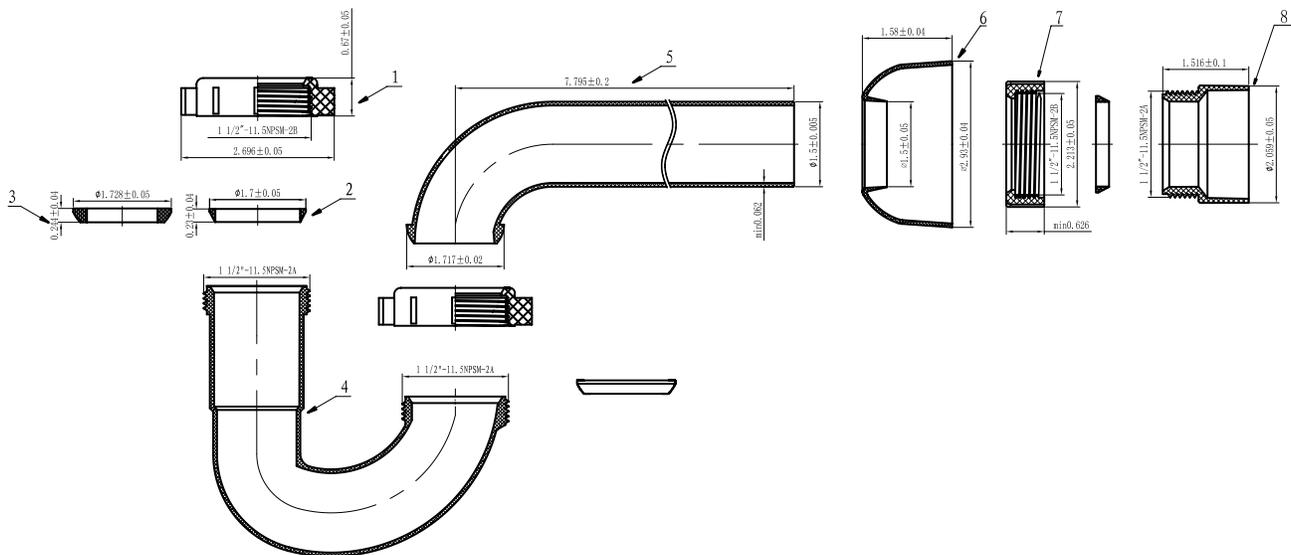

### Dimensions

Part#	Size
<b>P12812A</b>	<b>1-1/2"</b>

### Material Specifications

Part Name	Material
1. Slip Nut	PP
2. Slip Washer	LDPE
3. Reducing Washer	LDPE
4. J Bend	PP
5. P Bend	PP
6. Trap Flange	PP
7. Slip Nut	PP
8. Marvel Adapter	PVC

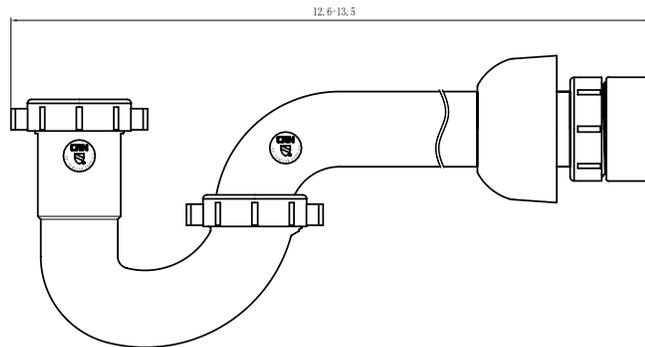

POLYPROPYLENE PLASTIC • LEAD FREE • TPR WASHER

## Features

- Polypropylene plastic construction
- For use in tubular drain applications
- Easy installation
- Use with pipe joint compound at joint
