

## C-RHEX® Cleanable, Reversible Magnetic Hex Drivers (5/16" and 3/8")

★★★★★ [1 Reviews](#) | [Write a Review](#)

Malco's 5/16" and 3/8" C-Rhex Cleanable, Reversible Magnetic Hex Drivers, are available in 4 convenient lengths:

- 2 inch (Model MSHC1)
- 2-5/8 inch (Model MSHLC1)
- 4 inch (Model MSHMLC1)
- 6 inch (Model MSHXLC1)

Quickly change between 5/16" and 3/8" hex sizes with Malco's unique, exclusive, dual-sided magnetic hex drivers. The reversible hex socket fits over a 1/4-inch magnet-tipped, ball locking hex shaft, and can be quickly reversed to change sizes. Eliminate troublesome buildup of metal shavings in the hex tip with the "Easy Clean Magnet". Just swipe with a glove or shop towel to clear any metal shavings. Tested torque of the reversible hex chuck driver design is equal to one-piece drivers.

With single-piece strength and an indestructible magnet, this hex driver is the perfect companion for any trade professional.

Malco C-Rhex drivers are also available in a reversible head with [hex sizes 1/4" and 5/16"](#)  
(<https://www.malcoproducts.com/product/c-rhex-dual-sided-magnetic-hex-drivers/>).

### Patented #10,328,554

## FEATURES

- Reversible 5/16" & 3/8" Hex Socket.
- Quickly change between sizes while driver shank remains installed in drill chuck.
- Easily eliminate pesky metal shavings by removing hex tip and wiping with a glove or shop towel.
- Tested one-piece driver strength.
- Easy-clean magnet.
