

Open Frame Racks

When it comes to standard EIA-compliant aluminum open-frame relay racks, OCC offers top of the line relay racks that feature a variety of heights to meet any cabling infrastructure needs. Ideal for equipment rooms and telecommunications closets, our open frame rack is an excellent foundation to build any network system.

- 3" deep vertical channels are tapped on front and back for #12-24 pilot point combo head screws
- Side web holes for linking racks
- 2 top and 2 bottom crossbars
- 7/8" holes for floor bolting
- Sturdy aluminum construction
- Available in durable black powder-coat finish or silver coating
