2-REEL CABLE DOLLY

Maneuver 2 reels with ease!

Introducing the Madison 2-Reel Cable Dolly, the first mobile cart designed for one person to load and maneuver two 1000 ft. spools of cable. American made from heavy gauge aluminum, the 36 lb. 2-Reel Cable Dolly is strong, light, and mobile enough for one person to roll around the job, even through 36" doors.

- Easy and quick to load with just one person
- Mobile with 4 individual locking casters
- Smooth Pulls

CAPACITY	# OF SPOOLS	SPOOL DIMENSIONS
	2	2000' - up to two 1000' reels

6-REEL DISPENSER

Turtle style portability

Madison's 6-Reel Dispenser allows you to conveniently roll your wire to where you need it. Six angled spindles keep the reels in place without locking. Two fixed wheels and one locking swivel wheel allow for easy maneuvering. A built-in wire guide helps smoothly dispense wire.

- Designed to pass through a 30" opening
- Steel tubing with a premium powder coat finish
- Shipped knocked down, takes up less shelf space

CAPACITY	# OF SPOOLS	SPOOL DIMENSIONS
	6	2500' - up to 18" diameter

IDEAS

[welcome]

Who knows? Maybe the next great invention will be yours!

At Madison Electric Products, innovation is what we do. But we couldn't do it without you.

You're out in the field every day. You know what works and what doesn't. And we're sure that at some point or another you've said to yourself, "I have a great idea. I could do this better."

If you're looking for a partnership with a company that thrives on product innovation and relationships with electricians just like you, visit our Sparks Innovation Center online. It will take you to a simple questionnaire to get things started on submitting an idea to us.

There's no commitment. While we can't guarantee that your idea will make it to market – let's face it, not every idea will – we can guarantee that we will:

- Respond to you as quickly as possible
- Consider every idea submitted
- Appreciate that you took the time to submit one!
