

Product Specifications

1/2" Universal Offset Strut Strap

Part Number OSS50

Category Number 5389

UPC 781002855903

Offset Strut Straps are used to fasten Rigid, IMC, and EMT conduit that is installed in strut systems. They are manufactured at an offset angle allowing contractors to easily install or uninstall. Due to their captive thread design, no nut is required for proper installation.

Physical Characteristics

Type	Offset Strut Strap
Style	Universal
Size	1/2"
Material	Carbon Steel
Finish	Galvanized

Packaging Details

Package Quantity	50
Standard Qty	50
Master Qty	400
Price Per	100
Package Length	6.60
Package Width	6.60
Package Height	4.60
Net Weight	0.077
Package Weight	3.85

Performance Data

Applications	Used in Tight Pipe Configurations
Special Features	No Nuts or Washers Required, Beveled Sides and Center Increase Rigidity
For Use With	Rigid Conduit/IMC/EMT

Certifications

RoHS Compliant	Yes
Industry Standard	UL Listed
