

# Juno® Trac 12™ Directional Spotlights

Cylindra® LED

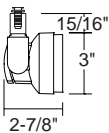

Conix® II LED

## Cylindra™ LED – TL252L

The contemporary styling of the Cylindra LED subtly enhances practically any décor without diverting attention from the surrounding environment. Soft curved surfaces combine with clean, crisp edges to provide a uniquely attractive aesthetic. The Trac 12 Cylindra 13W LED spotlight approximates the light output and distribution of 75W MR16 halogen lamps, utilizing less than 1/5 of the energy and having a rated life of 50,000 hours. Cylindra’s integral, bayonet-mounted accessory holder accommodates one accessory if desired. The white-light Cylindra LED is compatible with standard Trac 12 and Trac 12/25 Trac, operating with 12V AC power.
