

Stock #: BC18KC1234 Product Description:

These 1/8" to 1/4" thick flange mount conduit hangers are used to suspend 1/2" to 3/4" conduits from the bottom of beams. Garvin Industries' flange mount conduit hangers quickly attach conduits to beams, with just a hammer. Fasteners will rotate 360 degrees making multi directional conduit runs a snap.

Product Specifications:

Compliance : CUL,UL
