TWISTER[®] PRO FAMILY

WIRE CONNECTORS

The Twister[®] Pro and ProFLEX[™] family combines the most comfortable wire connector from IDEAL Electrical with the widest wire range of any multi-colored connectors in the industry. These connectors are designed with a live-action spring and high-leverage wings that provide excellent grip and torque. The ProFLEX[™] and ProFLEX[™] Mini are also engineered with a flexible skirt for added protection, providing everyday performance professional electricians can trust.

Features:

- Widest Wire Range of any multi-colored wire connectors in the industry
- Models 343 & 347 flexible skirt provides improved protection and adapts to tightly fit electrical boxes with limited space
- Swept wing design with SureGrip[™] overmold offers greater comfort, leverage, and torque for faster connections
- Expanding square-wire spring and polypropylene shell deliver a secure connection every time
- Tough, UL 94V-2 flame-retardant shell

Model
