Exteriors Outdoor Lighting is a new brand encompassing Craftmade's extensive array of lighting fixtures meant for outdoor use. Lanterns, pendants, pocket lanterns, post heads, poles and other accessories provide lighting professionals with fresh new designs, including several series that are ENERGY STAR®-certified and Title 24-compliant. Selected designs coordinate with outdoor fans from Ellington Fans and Craftmade Fans, and pushbuttons from Teiber Products. Most every series in the Exteriors line has three sizes of lanterns, a hanging pendant and a post head. Built for beauty and years of maintenance-free use, Exteriors Outdoor Lighting is made of die-cast and sand-cast aluminum components that offer superior durability against the elements. The finishes are treated with a UV guard that impedes fading. Back plate designs make for easy installation, a feature contractors especially appreciate. Re-lamping is designed to be a snap, too. As demand for fashion-driven exterior lighting has grown, the market is awash in product, but few lines compare to Exteriors Outdoor Lighting and all it has to offer lighting professionals. Retail display programs, employee training and national brand advertising are among the benefits of selling Exteriors Outdoor Lighting from Craftmade.
