

# RE203W

41.5" x 20" x 24" (H x W x D)

20" wide electric range in white finish with coil burners

**Highlights:**

- 20" width is ideal for space-challenged kitchens
- Color matched handles and controls for a clean kitchen look
- Waist-high broiler lets you bake and broil with ease

**Product Features:**

|                                          |                                                                                                                                                                                                                                                |
|------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 20" width                                | Perfectly sized for apartments and smaller home kitchens                                                                                                                                                                                       |
| Waist-high broiler                       | Broiler is located inside the oven, making it easier to use                                                                                                                                                                                    |
| Backsplash                               | High backing prevents stovetop contents from splashing up or boiling over and staining back walls                                                                                                                                              |
| Four coil elements with chrome drip pans | Surface features one 8" and three 6" coil elements to accommodate a range of sizes and cooking needs                                                                                                                                           |
| Safer elements                           | Designed to comply with the latest UL safety standards, each coil element is equipped with a sensor to cycle off if the temperature nears the flashpoint. Coils will resume heating shortly after, causing little interruption to your cooking |
| Upfront controls                         | Control panel is conveniently located to prevent users from reaching over hot cooktop surface for adjustments                                                                                                                                  |
| Chrome drip pans                         | Each element includes a removable chrome pan for easier cleaning                                                                                                                                                                               |
| Textured cabinet                         | Fully finished white cabinet constructed from steel                                                                                                                                                                                            |
| Color matched knobs & handle             | White-on-white design for an attractive look ideal for any kitchen                                                                                                                                                                             |
