

TOOL-FREE TEST PLUG EASY TO INSTALL AND REMOVE

TEST PLUG
The quarter-turn tool-free test plug is available with drain assemblies and also sold independent of drains, making testing quick and painless. The test plug is approved for up to 40 feet of head pressure and can be reused.

- Removable by hand or by notched pipe (no need for channel locks or pliers)
- Holds 40 feet of head
- Design makes it reusable for future testing

deliver quality. build trust. improve lives.

POWER OF ONE

#1 in the industry. Oatey® is the number one source for purchasing the leading brands in the plumbing industry.

One call does it all. Only Oatey brings you the plumbing industry's best brands in one source, making it easy to purchase any product across all our brands on one invoice, in one shipment.

NEW OATEY® 130 SERIES SHOWER PAN DRAIN

The beauty of innovation.

GRAY PVC DRAIN BASE INNOVATIVE TEST PLUG ROUND BARREL ACCESSORIES WITH SNAP-IN STRAINERS SQUARE BARREL ACCESSORIES WITH SNAP-IN STRAINERS FULL DRAIN ASSEMBLIES

THE 130 SERIES SHOWER PAN DRAIN

Today's shower designs offer endless options and configurations, giving customers greater selection than ever before.

The new Oatey 130 Series Shower Pan Drain not only meets the needs of today's customer, it can enhance the appeal of tile or marble showers.

The new 130 Series is ideal for new construction, and its low profile design allows for installation in tight spaces, like retrofits and renovation.

ENHANCED FEATURE SET

Tool-Free Test Plug

- The only tool-free test plug on the market integrated within shower pan drain base
- Removable by hand or notched pipe

Square and Round Barrels with Strainer Accessories

- Snap-in and screw-in strainers are available for round and square threaded barrels
- All strainers have a finish tile-ring to protect grout lines around strainers
- Gray PVC provides a cleaner look and finish in showers

Reversible Clamp Collar

- Clamp collar can be reversed to gain 1" of additional installation height
- Double weep holes with optimized channels ensure drainage
- Improved bolt slots for fastening collar to drain base

Residential Construction

Multi-Family Vertical Construction

New Construction

Repair/Remodel

TILE RING PROTECTS GROUT

TILE RING

The new 130 series features an innovative tile ring that protects grout during and after install. It is the only drain on the market that has a tile ring in both square and round configurations, and does not require any additional adaptor accessories.

Tile Ring Options

- Screw-in strainer with snap-in tile-ring
- Snap-in strainer with screw-in tile-ring

Configurations

- Round and square threaded barrels
- Complete unit with and without test plug
- Rough kit and finish kit options

Three Stylish Finishes

- Polished stainless steel
- Brushed nickel
- Oil-rubbed bronze

THREE STYLISH FINISHES
