

Product Specifications

3/4" Power Fishing Piston

Part number PFP75
Category number 6040
UPC 781002320326

Power Fishing Pistons are used with a power vacuum or blower to pull line through a conduit run. They are manufactured with a metal pulling eye at both ends for easy installation and feature a tough foam piston that will clean it's own path. The Power Fishing Piston when installed will provide an air-tight seal in the conduit.

Physical Characteristics

Type	Power Fishing Piston
Material	Durable Foam
Eye Material	Steel

Packaging Details

Standard Qty	5
Master Qty	25
Price Per	1
Package Length	5.91
Package Width	3.78
Package Height	0.87
Package Weight	0.05

Performance Data

Special Features
Comptaible With Most Pull Lines, Cleans Loose Debris From Conduit, Reusable, Absorbent Material to Swab Moisture From Conduit

Certifications

RoHS Compliant	Yes
