Vintage Style

Adjustable Spanner

A trend in home décor is the repurposing of antique pieces. Calhoun playfully follows this trend with an apothecary style clear glass diffuser held in place with a mechanical latch from a spice container. A glass shade showcases a thickened profile to create a vintage-style surface for a classic handmade appearance. The vintage design is a perfect complement to several décor styles including the popular Farmhouse trend.

Calhoun is a versatile style that can be displayed in three different ways for both three-light and five-light chandeliers: assemble with the included optional spanner and long or short stems for a unique cord-hung style chandelier, or let the lights hang in a more casual cluster.
