Catalog No. PM820RFL

Description: LOAD CTR MCB 200A 8CKT N3R GRAY PON FTL

UPC No 783164641035

Home > Load Centers > Load Centers

PowerMark PRO main breaker plug-on neutral load centers arrive with a main circuit breaker installed for a convenient and swift install. Main circuit breakers allow for the user to stop the flow of electricity in the load center, shutting off all the power in the residence. The PM820RFL features spaces for 8 - 1" circuit breakers and 16 circuits, a 200-ampere bus rating, copper bus bars, factory installed feed-through lugs, and a NEMA 3R enclosure.

Descriptors

Category	Load Centers
