006800	5	24
006817	6	18
006824	8	15
006831	10	8
376583	12	6
376590	15	4

"Tyler Pipe Company strongly recommends that its hubless cast iron pipe and fittings be joined with shielded couplings manufactured in accordance with CISPI 310. The use of unshielded couplings or any coupling not meeting the above specifications will void the product warranty"
