Photocell Step Lights LED

- 020 Antique Bronze
- 031 Black

Add safety and security with these LED steplights. The integrated photocell automatically turns on and off the fixture with the sunset and sunrise. Great for accenting and lighting outdoor walk ways. These lights include both the horizontal and vertical face plates, allowing distributors to provide more options in fewer skus.

FEATURES

- Includes both horizontal and vertical faceplates
- Integral power supply module in a compact package
- Consumes less than 5w of power per fixture
- Enclosed in a gasketed lens
- cCSAus listed for wet locations
- Warm white 3000K dimmable LEDs
- 90 CRI
