

Pass and Seymour
Thermoplastic Two Gang Decorator Wall Plate, Gray
Part No. TP262GRY

The TradeMaster® thermoplastic 2-gang decorator wall plate provides maximum durability in plastic wall plates.

Self-extinguishing nylon construction makes these wall plates virtually unbreakable. They are 3/16 of an inch higher and wider than typical plastic wall plates - not enough to be apparent to the eye, but the extra size cuts cost by reducing dry wall rework.

Features & Benefits

Molded of rugged, practically indestructible self-extinguishing nylon. Available in 'TP' series, extra 3/16 inch width and height than Standard size plates; and 'TPJ' series, extra 3/16 inch width and height than Junior-Jumbo size plates

Available in Ivory, White, Brown, Gray, Black, Blue, Orange, Red, and Light Almond

Preferred for hospital, industrial, institutional, and other high-abuse applications

Nominal thickness, .070 inch
