
SERIES II BLANK MODULE, 1U

OR-40300164 | [Ortronics](#)

FEATURES & BENEFITS

Series II Blank Modules occupy one unit of plate or housing space until required by future applications. Series II is a family of front removable snap-in modules that make moves, adds and changes easy and time saving. The rugged high strength construction of Series II makes it one of Ortronics most popular workstation choices.

- **Rugged snap-in design:** Quick and easy install.
- **Occupies 1.5 units of space:** Holds space for future expansion.
