

Toilet Bowl Brush w Caddy

Bowl brushes are made of poly-pro fiber that are staple set into a plastic handle.

The M2 toilet bowl brush with caddy is ideal for any business, making it easy to clean toilets and urinals efficiently. Due to its all plastic construction the product is light weight and resistant to chemicals and cleaners used to clean toilets.

- 1)Cleans the bowl and underneath the rim without scratching
- 2)Plastic material is easier on surfaces than wire brushes
- 3)Resists chemicals and matting
- 4)Brush can easily stored in caddy
