

32 oz Spray Bottle - 28/400 - Natural

Practical and convenient, this 32 oz Spray Bottle is ideal to dispense concentrated chemical solutions with a trigger sprayer.

This clear Spray Bottle is made of durable plastic and features a 24 oz capacity and a 28mm/400 neck finish. It also has molded-in graduation marks to measure cleaning solution ratios with precision. You can use it to store and dispense concentrated chemical solutions with a trigger sprayer. Add a label to identify the content of the bottle or use it in a colour-coded system.
