

**PERMA-COTE** PVC coated pipe straps are used with coated strut to support conduit installations in a variety of configurations. B2008 style straps may be used in either vertical or horizontal positions to support conduit. Straps provided with stainless steel hardware. Conduit spacing may be as close together as allowed by the couplings. B3690 style straps may be used with hanger rods or other means of support to securely fasten conduit runs.

**FEATURES**

- 20 mil gray PVC exterior coating
- Available in 11 trade sizes.
